SCHOOL BLOCK A

SCHOOL BLOCK B

INTRODUCTION

Mona Modern English Medium School was established in the year 2006 and has successfully acquired CBSE affiliation In 2012. The affiliation no. of the school is 330161. It is a co-educational school, It is spread on a huge campus of 5 acres of land. The campus has been well designed to complement our curriculum and provide an optimum environment for 21st-century education, where every aspect of teaching and learning is supported by modern and relevant technology.

It is located at Sarangarh, a city well connected to most of the cities in the country via Raigarh by rail. Its calm and idyllic location keeps it completely free of routine disturbances and pollution, making it a highly conducive place for learning.

AIMS & OBJECTIVES

To make our school a temple of knowledge and wisdom for motivated students and staff engaged in bringing out their full potential.

To make responsible global citizens with a deep-rooted foundation of Indian culture and heritage.

To impart world-class education. This will enhance academic excellence, physical fitness, psychological and spiritual health & social awareness.

FACILITIES

The entire campus is well designed in accordance with the age-old principles of Vastu Shastra. The classrooms are spacious and well ventilated and are designed to accommodate not more than 30 students to deliberately keep the class-size small. This is an ideal teacher-student ratio, where a teacher can give the best of individual attention. The school has special ergonomically designed furniture to ensure that the seating is comfortable, enhances learning and studying capacity and reducing mental and physical fatigue.

HOSTELS

Our school M.M.E.M.S has separate hostel for boys and girls in the residence of our respected patron. The environment of the hostel is healthy that helps the students to develop and learn without any obstacles. Each room in the building features shared bathroom facilities. The rooms are also well furnished with beds, ceiling fans and lights, shelves and inbuilt cupboards.

The hostel mess serves fresh and hygienic food with all modern facilities. An exclusive uninterrupted study hall for students is there for both boys and girls. Teachers guide the students in the hall. We provide coaching of all subjects to the hostelers apart from schooling. Our prominent teachers help to solve all the problems regarding any subjects to the hostelers apart from schooling. Teachers boarding is also attached to the hostel to take care of the students and to bring up the students in morality.

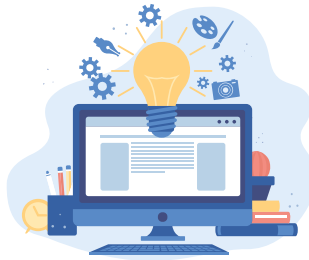

TRAINED FACULTIES

CURRICULUM & ACADEMICS

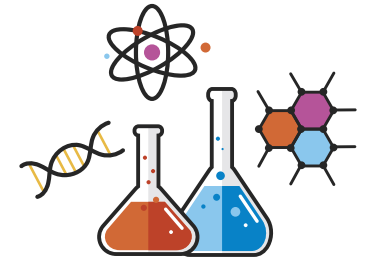

To provide the student strong and all-round academic foundation, the school follows the syllabus prescribed by the Central Board of Secondary Education (CBSE), New Delhi.

The academic year of the school is from April to March. The school has highly qualified, experienced and devoted teachers continuously imparting quality education which enables a child's development. An ideal teacher-student ratio is emphasized to provide individual attention to students. The teachers are trained from time to time on various methods of teaching and technology. Special coaching is also provided for the board examination.

COMPUTER DEPARTMENT

Keeping in mind the rapid computerization in all the fields, sound knowledge of computers has to go hand in hand with studies. The school has a fully equipped computer lab. Every student has a separate system to work on. Computer education is a part of the regular curriculum and is compulsory from Pre-primary onwards.

LABORATORIES

Experimental study grasps the knowledge faster and ensures better absorption of the theory. Hence the school possesses well-equipped laboratories for Physics, Chemistry & Biology.

CONVOCAATION CEREMONY

LIBRARY

The school has a good collection of books, which covers a wide range of subject viz: books of stories, plays, poems, fictions, classics, encyclopedia, art etc. Periods are allotted to each class for the library so that students can be encouraged to develop the reading habit. The library also provides daily newspapers, magazines and periodicals keeping students updated with the outside world.

HEALTH CARE

A regular, periodic check-up of every child is undertaken by a child specialist. A health card is maintained for each child. The school has tied up with a team of medical specialists for consultation and also for prompt service in a case of an emergency.

PARENT-TEACHER MEETING

Parent-Teacher meetings are held regularly. This is to facilitate interaction & to ensure personal feedback and follow-up of each student. It is believed that this interaction brings the parents & the teachers closer to the child, for his/her growth & development.

SPORTS

Sports are a part and parcel, of our school. The school provides all the facilities for outdoor games and indoor games. There is an enormous field in the school campus for outdoor games. Sports room are used for indoor games. During the previous years, many students have participated at the state level and central level and they have brought glory to the school.

MUSIC CLASS

Music education is also important because it gives students a way to connect with other people. Children are naturally very social and it is important to encourage them to build relationships by providing them experiences to share with each other. So we provide music classes to all students by an expert teacher. We also have a band with all the instruments of music. We support and teach them for school level as well as competitions. Many students have brought glory to the school by winning in competitions.

DANCE CLASS

To take care of aesthetic aspects of children, our school provides separate dance classroom. Students practice dances for the school as well as National & International competitions under utmost care of our well trained dance teachers. Especially we provide classical and semi-classical dance classes to the children. Our dazzling stars have brought so much glory to the school by competing in the National & International levels and rocked it by securing excellent positions.

SCIENCE EXHIBITION

Every year a science exhibition is held in our school. Students of each class participate in the exhibition and show their inner potentiality to be a scientist. It encourages students to create something new.

KARATE CLASS

Martial arts as an educational system are of paramount importance for everybody especially for children. Karate benefits children at every aspect of their life like physical, mental, spiritual and emotional. Our school provides a solid platform of karate class by a master trainer in order to develop balance, coordination, focus, respect, discipline and self defence.

YOGA

Yoga is basically the most important ancient art that aims towards the building up of a healthy mind within a healthy body. For that reason, it is considered to be the harmonising system which rejuvenates the body, mind as well as the soul. So our school provides yoga classes to all the students by trained yoga teachers to boost self esteem and confidence.

SELF DEFENCE

To equip the girls with some life skills and defence skills so that they can avert any kind of untoward situation. Our school facilitates self defence training periodically to the girl child.

MATHS LAB

The school provides a well-maintained maths lab. it is a place where students can learn and explore the mathematical concepts and verify mathematical facts and theorems through a variety of activities using different materials. These facilities are carried out by the teacher for the student to explore, to learn, to stimulate interest and to develop a favourable attitude towards mathematics.

CO-CURRICULAR ACTIVITIES

The school lays due emphasis on co-curricular and extra-curricular activities, to improve and bring forth the inner talents of the children. Yoga and meditation classes are held on a regular basis to increase the concentration power of our students. The school has separate faculty for Music, Dance, Fine art and Craft. Under the guidance of our highly qualified and dedicated experts events such as debates, elocution, singing, dancing, mono acting, mimicry, fancy dress and extempore are organised once a week to develop confidence and overcome stage fear. Educational trips, picnics and excursions are organised periodically.

Students are trained for all the outdoor & indoor sports viz football, volleyball, basketball, table tennis, lawn tennis, chess, badminton, cricket base-ball and billiards.

SMART CLASS

Our school has been bind up with Educomp. The school provides an Educomp smart class. Lessons are taught through a projector. We deal with all the theoretical concepts in a practical way by using the Educomp smart class.

We provide practical knowledge step by step. We take MCQ test by SAS.
